[Steel City Duck Derby](#)

May 9 | Allegheny Commons Park

The 5th Annual Steel City Duck Derby is a fundraiser for Partners For Quality, a nonprofit that supports nearly 5,000 local individuals with intellectual disabilities and behavioral health challenges. Join us as 10,000 rubber ducks are launched into Lake Elizabeth and race to the finish line with the top five finishers winning cash and other prizes. The Pre-Derby Duck Festival takes place at 11 a.m. with food trucks, face painting, duck games and music, with the Derby Race starting at 1 p.m. You can adopt rubber ducks online through race day.
